

Spare 2 minute how to Register with Jobjump

Our school pay its subscription to Jobjump because it is one of the most comprehensive Career Information Centres where you find everything on Careers you want to lay your hands on, all in one place.

E.g. personal news emailed to you each week about the career choices you made, information about courses and universities that offer them with what you think your ATAR will be. Resume or CV making, tips of what to do and not what to do when applying for a job or going for an interview, Job Vacancies, Open Days, Subjects Selection (what to consider) and other useful links. If interested to improve your future, then read below.

Stop for 2 minutes each fortnight. If any one or more of the following matter to you, then you will be able to vastly improve your work and skills and gain advice from Careers Adviser best practice on JobJump.

"I don't know what Career to do. Can you help me ?" plus what??? 2,000 Careers - Their information and their courses parcelled for me???? Here is how to find everything on Careers you want to lay your hands on, all in one place.

Easy ways to register on JobJump.

- Register as a New User – I'm New after that to access, just login.
 1. Go to Job Jump at www.jobjump.com.au,
 2. Type in your school (Leumeah High) you'll see a drop menu of schools and click our school name.
 3. Type in "leopard" as our school password and it will take you to the registration of your personal details.
 4. Fill in your personal email address but if you don't have one, use your DET portal email address and other personal details as student. (The good thing about your personal email address, you will be able to use Job Jump even after you leave our school for as long as you want.)
 5. Then you will be ask to do a few steps like choosing your career fields or interest, etc. Here you can click as many careers you are interested in so that you will receive news relevant to your career choices. If you don't know what career you are interested in, on the left side of the screen are videos you can explore to learn about different careers. Spend 10 min each day to learn about different careers so you will be able to make a more informed career choices.
