Girls Write Up is an all-day festival for teens that teaches empowerment through writing and sharing stories.

<http://thestellaprize.com.au/schools/girls-write-up/>

## **L.O.T.E.**

### **Lattitude Global Volunteering**

With over 20% of first year university students in Australia leaving their chosen course or dropping out all together, maybe it's a good idea to step off the academic treadmill and consider your goals before diving in. There are so many benefits to taking a gap year - independence, confidence, career experience, and cultural awareness are just a few! Volunteering can really give you an edge before and after university.

<https://lattitudeaustralia.org/home>

## **SCIENCE**

### **Senior Science, Biology, Chemistry, Earth and Environmental Science, Physics**

#### **Living Laboratory in the Royal Botanic Gardens**

You could be doing paid work experience at leading kitchens at The Merivale Group, Pendolino, Parliament House, Four Seasons Hotel. Recipients will be provided uniforms, a knife kit and \$1,000 cash to put towards future training needs. The winner will be supported, escorted and chaperoned throughout the week-long experience by one of HTN's Employment Coordinators/Mentors. Upon completion of the scholarship, HTN would offer the participant a full culinary apprenticeship within HTN's network of 170 host businesses. To contact HTN please send us an email – [recruitment@htn.com.au](mailto:recruitment@htn.com.au) or call on 1300 139 108

<http://htn.com.au/aafp-margaret-fulton-future-foodservice-professional-scholarship-2/>

### **National Computer Science School**

Applications open in September

4 to 13 January 2019

NCSS applications will be accepted from students who will complete Year 11 in 2018. The main activity for the week is the creation of software to implement a social networking site. Social and teamwork games are included in the relaxation periods, as well as scheduled free time in Sydney. NCSS is about challenging students to think like computer scientists and providing an intensive programming experience in a university setting. As part of the program, students will go on industry site visits and meet industry professionals in a variety of contexts, including talks, competitions and meals. In 2017, NCSS students visited Atlassian, Google and WiseTech Global.

<http://ncss.edu.au/summer-school/program>

### **Girls Programming Network**
